# FAQ

## WHAT DO YOU DO AT CAMP?

While many summer camps focus on a specific interest, Delanco Camp's summer programs offer something for every camper.

Whether their interests are sports, catching fish, swimming, boating, making crafts or socializing, there are plenty of ways to enjoy the outdoors here.

In addition to a couple hours of free time each day, our structured programs include Bible classes and chapel in the morning, planned recreation in the afternoon and worship, night games and snack in the evening.

## WHAT SHOULD I BRING?

Don't forget to bring a Bible, a flashlight, sleeping bag or bedding, toiletries, modest clothing, swim wear, rain gear, jacket, bug spray, athletic equipment, camera, medication and money for snacks, camp merchandise and offerings. Leave your cell phones, electronic equipment, fireworks, firearms, knives, pets, two-piece bathing suits, video games and inappropriate clothing at home. For a packing list, go to [delanco.org/packing](http://delanco.org/packing)

## MY CHILD HAS A SPECIAL DIETARY OR MEDICAL NEED. WHAT DO I DO?

If your child has an allergy or special diet, our capable kitchen staff can accommodate dietary concerns within their limitations. If you are concerned about this, please contact the camp and ask for the head cook at least two weeks prior as it may require some provision of special food items on your part.

If your child has any special medical needs, please talk to our health director who will be present at the sign-in desk at registration.

## MISSION STATEMENT

"We will encourage every person who attends Delanco Camp to discover a relationship with Jesus Christ - changing them from the inside out, so that God can bring out the best in each of us; and together, we can impact the world. And, at the same time, make sure each person attending has the greatest week in their life!"
