Additional Rental Amenities

Lake Agape:

Rental Groups are welcome to use the swimming area of Lake Agape and the camp's boats. Delanco Camp requires a lake waiver to be signed by the renting organization for any lake use. Lake use and supervision is the responsibility of the group leaders and participants. Lake rules will be provided to any group upon completion of the lake waiver and must be followed at all times.

Campfires:

We have two large fire pits available for camp fires, one next to the lake, and one near the pavilion. Wood will be provided, and we can help build and start a fire for rental groups. We ask that adults supervise the fire at all times. Only the provided wood may be burned, and fires are only allowed with prior arrangement, at a cost of \$10/day

Jamies Place:

The central meeting room in the retreat center is known as Jamie's Place. Use of this space is included in any facility rental. It is equipped with seating, tables, a pool and ping pong table, a smart tv, and a restroom. Rental groups may not move or rearrange furniture without prior permission from the rental coordinator.

Ropes Course:

We have a low ropes/challenge course located in the woods on the other side of the lake from main camp. The course includes 17 individual elements. There is a wide variety of challenges and tests requiring skill, team work, creativity and perseverance. Groups are welcome to use the course, and a "map" with short explanations can be provided.
